

GO Work Wireless Headset Technical Specifications

Product Information

EAN	812887019569
Brand	JLab Audio
SKU	10334682
Manu Part #	IEUHBGOWORKRBLK4

Headphones

Ear coupling	Supraaural
Headphone frequency	20 - 20000 Hz
Magnet type	Neodymium
Headphone sensitivity	117 dB
Driver unit	4 cm
Impedance	32 Ω

Microphone

Microphone type	Boom
Microphone mute	Yes
Folding microphone	Yes

Weight & dimensions

Height	176 mm
Width	67.8 mm
Depth	190 mm
Weight	156.5 g

Logistics data

Harmonized System (HS) code	85183000
-----------------------------	----------

Battery

Input voltage (charging case)	5 V
Standby time	470 h
Battery type	Built-in battery

Continuous audio playback time	45 h
Battery recharge time	2 h
Battery capacity	500 mAh
Charging source	USB
Battery operated	Yes
Wireless charging	No
Battery technology	Lithium Polymer (LiPo)
Battery charge indicator	Yes
Fast charging	No
Continuous audio playback time (ANC off)	45 h

Other features

Packaging content	INCLUDES: GO Work Wireless On-Ear Headset, Type-C Charging Cable, Type-C to 3.5mm AUX Cable for Wired Use, JLab Two Year Warranty.
-------------------	--

Performance

Wearing style	Head-band

Country of origin	China
Operating keys	Answer/end call, Bluetooth pairing, Mute, Play/Pause, Volume +
Music playback	Yes

Ports & interfaces

Bluetooth	Yes
Bluetooth profiles	A2DP, AVRCP, HFP, HSP
Microphone in	Yes
USB connector	USB Type-C
USB connectivity	Yes
Wireless range	9.144 m

Connectivity technology	Wired & Wireless
Bluetooth version	5.0
35 mm connector	Yes

Packaging data

Package height	165 mm
Package depth	190 mm
Package width	71 mm

Product Description

Meet the GO Work wireless on-ear headset, perfect for everyday office life. Enjoy clear calls and video calls and never forget to un-mute with the mute-indicator-light at the end of the boom mic. The powerful boom mic can be rotated up, when you're focused independently or down to allow colleagues to hear just you (not the dog barking or the doorbell). Transition from mobile to laptop without touching any settings and enjoy GO Work wired while stationary at your computer or wireless for more mobility to multitask. Connect wirelessly via Bluetooth to your PC, Mac, mobile and more. Or plug-in with the included USB-C to 3.5mm cable. Plus with Bluetooth multipoint technology you can connect to any two devices simultaneously. Transition from mobile to laptop without touching any settings. C3 Calling uses dual microphones: One mic picks up your voice and the other eliminates environmental sounds around you so that your voice remains crystal clear anytime, anywhere. You'll get a full 45+-hour work week on one charge and all-day comfort with Cloud Foam earcups. Rotate the boom microphone for listening only and back down to take a call or video conference.
