Product Description

The favorite combo, upgraded MK370 Combo for Business is Logitech's top-selling combo upgraded for the enterprise. This wireless productivity duo comes out of the box ready to perform. **RELIABLE, SECURE, BUSINESS READY** The MK370 Combo for Business is the perfect wireless mouse and keyboard duo to get everyone working more comfortably. Now enterprise ready with secure Logi Bolt technology. **QUALITY THAT LASTS** Enjoy the familiar typing experience of the MK370 with its spill-resistant keyboard design. The durable keys and sturdy tilt legs are built with the same high-quality materials and reliability standards trusted by millions of users worldwide. **SILENT TOUCH TECHNOLOGY** In open-space offices, everyone will appreciate 90% less click noise thanks to Silent Touch Technology. Now the focus can be on work, not the clicky distractions. **FULL-SIZE KEYBOARD** The convenience and comfort of a full-sized keyboard with media control keys for greater productivity, eight convenient shortcut keys and a programmable F row. **PLUG AND PLAY SIMPLICITY** For hassle-free, ready-to-work setup, both keyboard and mouse are paired out of the box to the Logi Bolt USB receiver, reducing the burden on busy IT help desk staff. **LOGI OPTIONS+** Logi Options+ is a powerful, easy-to-use application that enables customization for Logitech mice and keyboards so users can streamline their workflow. **BUILT FOR SCALE** Globally available and certified in 100+ countries with a 2-year limited hardware warranty. Support available to IT professionals and business users through our prosupport platform. **TWO WAYS TO CONNECT** Connect with Logi Bolt USB receiver, for high-performance, secure connections or Bluetooth Low Energy. Two connection options offer flexibility for users, plus reliability and security for IT. **VERSATILE COMPATIBILITY** The MK370 Combo for Business is easy to deploy for large enterprises. It works with all major operating systems and business apps-across desktops, laptops, and tablets.
