Product Description

Full-size keyboard with silent keys and spill-resistant design Cover the Basics Keyboards come in all shapes and sizes, but what if you only need to cover the basics? The Trust TK-150 does exactly that. It has a full-size layout, spill resistant keys and its height adjustable. It even comes in easy-to-open and sustainable packaging, helping both the environment and saving valuable time. The TK-150 does exactly what you want it to do. Comfort A good keyboard needs to be comfortable to use. The low profile keys in this full-size keyboard and the fold-out feet provide exactly the comfort you need to focus on your work. You dont even have to worry about spilling something on the TK-150, as the spill resistant design will let you continue your work without hassle. Just poor yourself a new cup of coffee and lets go. Easy Plug in the 180cm long USB cable and youre good. When youve got work to do, you dont want to worry about installing software or setting macros. The TK-150 is a workhorse so you can focus on the job at hand.
